Seeing Gray in a World of Black and White

**Mondays at 10 a.m., FLC Room 2
Oct 20 - Nov 24**

Join us for a new study of Adam Hamilton's *Seeing Gray in a world of Black and White*, led by Bettye Seavey. Everyone agrees that America is polarized. No one agrees on what to do about it. One solution that hasn't yet been tried, says Adam Hamilton, is for thinking persons of faith to model for the rest of the country a richer, more thoughtful conversation on the political, moral, and religious issues that divide us. If you have questions about the study, contact Bettye Seavey at **503-308-2992.**

**Sign up in the Church Office by Monday, October 13th
