

# Youth Mission Trip 2019

## Trip Break Down

Who: Current 7-12<sup>th</sup> grade students

Cost: \$500 per person

Individual and group fundraising efforts will help mitigate this cost

It's recommended that you plan for an additional \$50-100 for personal use (meals to and from our destination, spending money for souvenirs, etc.)

Activities: Home repair projects

Location: Mission, South Dakota – Rosebud Sioux Reservation

Program: Group Mission Trips Workcamp

Duration: July 6th through July 14th (driving time included)

Ministry: Group Mission Trips and the Rosebud Sioux Tribe have teamed up to reach out to needy grandmothers and grandfathers. We will join an ongoing effort to provide safe, decent, and healthy homes for the tribe's seniors. Perhaps we'll add a sturdy new entry porch to a home where the Tribe has just repaired plumbing that hasn't worked in years. Or add a wheelchair ramp as the finishing touch on a house being remodeled to accommodate a handicapped resident. Perhaps as important as the physical aid will be our opportunity to build relationships – touching hearts as well as homes.

Most projects are designed to be completed during the trip. We'll demonstrate Jesus' love and compassion in tangible ways, serving the needs of others through tasks like:

- Building wheelchair ramps and handrails
- Weatherizing homes and trailers
- Reconstructing sagging porches
- Significant painting projects
- Interior and exterior carpentry
- Other home repairs

## **Let's go to South Dakota!**

All youth who wish to serve will be accepted onto the team. A \$50 non-refundable commitment fee is due Sunday, October 21. Talk to Nicole if you have questions or as soon as you are ready to sign up! (Interested adults should talk with Nicole ASAP; the adult leadership team will be finalized as the youth roster takes shape.)
